Easy2Pay!

Federated's Easy2Pay program is an internet payment option. Go to Federated's website www.federatedrea.coop. Click on the Easy2Pay logo on center of the screen. You will need to create a user name and password the first time. You can sign up to pay your electric bill online from your checking, savings or credit card account. Choose from automatic payment on the due date (10th of the month); otherwise, you can authorize the payment monthly or occasionally.

Easy2Pay offers paperless bills!

If you go south in the winter or head to the cabin, getting your electric bill through the mail is complicated. With Easy2Pay you can sign up for paperless bills. Your electric bill is ready for viewing by the first of the month. Then click on the link to view and/or pay your bill.

Auto Pay

Federated's Auto Pay program is a free service that allows you to have your electric bill automatically deducted from your checking or savings account monthly.

How does Auto Pay work?

Your monthly electric bill will be automatically deducted from your bank account on the bill's due date or the next business day. You still receive an electric bill every month stating the amount that's automatically withdrawn. Proof of payment will appear on your monthly bank statement.

How do I sign up for Auto Pay?

Complete the form on the back; attach a voided check. Mail both items to Federated now or with your next electric bill payment. We'll take care of the rest. If Federated receives your Auto Pay form by the 20th of the month, your first Auto Pay payment will occur the 10th of the following month. A message on your monthly electric bill will notify you that you are now enrolled. This message will state, "Do not pay. This amount will be withdrawn from your bank account."
