

Residential Time of Use Request Form

I _____ request that Federated Rural Electric install Time-of-Use metering at my residence:

Location # _____ Member # _____

This will take effect on _____ and remain in effect for a minimum of one (1) year. This program is eligible to any single-phase, single-family, dwelling unit owned and occupied by the member for permanent year-round service.

The member-owner will remain on this rate until after the initial one (1) year period.

Written notice is required and must be provided to the cooperative to be removed from this rate. The change will occur on the following month's billing cycle.

The member will on their own control any and all loads within the on-peak period to limit electrical usage during this period to the extent possible to receive maximum benefit from the rate.

Member may not enroll in Federated's load management programs nor Federated's wind/solar cogeneration rate.

Please list any major loads that will be controlled such as:
electric vehicle, electric water heater, any electric heat, electric stove, electric dryer, central air or heat pump, etc.... List any additional major electrical items.
